Nel Brothers Stud
Best Derby Bird on Show

Welcome Back

After nine years The Show Budgie returns!

Nine years since the last issue and the club is back with The Show Budgie. The last issue was Issue 63 which was issued in May 2003.

The Show Budgie was overtaken by the South African Budgerigar Bulletin with the editor being tied up with the BSSA publication.

The Show Budgie will be published on-line from this issue and will carry all sorts of news. If you have news from your aviary or items for sale please drop the editor an email and it may be advertised.

What was in Issue 63 you may ask...well the club mini shows were in full swing with the third mini show being held in May of 2003 with member's points ranging from 31 up to 71.

How many birds were benched on the day you may ask...well 59 were benched.

What was special on the day? Well Wim Very, a Beginner...yes we still had the privilege of having Beginners that time... had earned his very first point at a show.

Something else that happened was that Daan won his fourth cake raffle in six months. Yes we used to have cake raffles at every meeting and an entry fee of R5. This was used to fund our shows.
